#### **DETAILED ACTION**

Claims 1-25 are pending in this application.

## **Action Summary**

1. In lieu of the decision set forth by the Board of Patent Appeals and Interferences the rejection of claims 20-25 under 35 U.S.C. 103(a) over Roe in view of Wenninger is hereby withdrawn.

#### Examiner's Amendment

2. An examiner's amendment to the record appears below. Should that changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Eric T. Addington on September 30, 2005.

#### Statement of Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

The claims are allowable over the cited prior art because the prior art does not teach, disclose nor make obvious a disposable absorbent article having a film-forming composition disposed on the skin-contacting surface wherein the composition is substantially anhydrous and comprises a skin conditioning agent, a viscosity enhancing agent, a film-forming agent and optionally a skin care ingredient. The closest prior art references of Roe et al. (5,609,587 and 6,118,041) and Roe (5,609,587) teach an absorbent article having a lotioned topsheet deposited thereon and wherein the lotion comprises a skin-conditioning agent and a viscosity-enhancing agent. The prior art does not teach the additional of a film-forming agent as taught in the instant application for the purposes of forming a protective barrier which makes the composition resistant to water, washing-off and rubbing-off.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### Conclusion

4. Claims 20-25 are allowed.
